

Flo King Quad Cartridge Holder (QCH)

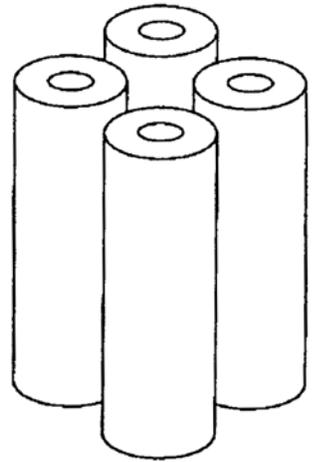

Accessory allows use of four filter cartridges at once.

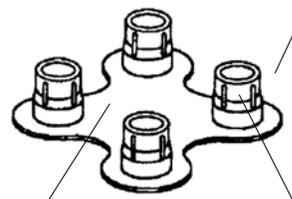

Poly-Spun Disposable Filter Cartridges

Permacore Magnum Reusable Filter Cartridge (optional)

Red Liner (RPSL)
When using Poly-Spun Disposable Cartridges, it is sometimes necessary to use Red Liners over Heavy Blue Floating Filter Plugs on Quad Filter Plate. This is a result of slight occasional irregularities in the opening of the Poly-Spun cartridge, which is coreless. Four Red Liners are included with QCH. For pack of 12 replacement Red Liners, order number is FPSL. Red Liners not necessary when using reusable filter cartridges.

Quad Filter Plate (QFP)
Insert Blue Filter Plugs through holes in polypropylene plate.

Heavy Blue Floating Filter Plug
For pack of six replacement Blue Filter Plugs, order number is FP6.
